Counselor in Training (CIT) program

Are you interested in working with children? Would you like to get experience? Anyone interested may fill out an application at the park office May 15th to May 30th. This program is for boys and girls entering 7th through 10th grade in September 2015. Candidates are interviewed, and selections are made based on individual qualifications, as well as the needs of our program. Cost per week is \$50.

An Arts & crafts class will be offered on Tuesday and Thursday mornings for all children.

A small fee will be charged for the class for any child not registered in our summer program. Details to follow.
