Walk-To-School Day

October 8th, 2014

The Plainville Public Schools, The Wellness Committee, Hockomock YMCA and the Plainville Police Department are excited for the opportunity to participate in this event promoting health and physical fitness. We are hoping to get a large turnout for this event and please be assured that we will have ample supervision for all the students who participate.

If your child is not attending the walk to school event, we are inviting him/her to participate here at school utilizing our walking track behind the Wood School. Every student who participates will be provided with a healthy snack after completing their walks. We hope this and future events will empower students to engage in more physical activity!

(Unlike past walks, we will not be able to transport backpacks for students. Please plan accordingly!)

Please complete the permission slip at the bottom of this page and return it to your child's teacher. *This is important for us to have an accurate count of participants, so that we may plan supervision accordingly.*

- ◆ **Students participating in the Walk-To-School event should be dropped off at Lowe's at 7:45 on the morning of the event.**
 - ◆ **Students participating in our Walk-Around-The-Track event should be dropped off at the Wood School at 8:00 on the morning of the event.**
