# SCHOOL COUNCIL PARENT REPRESENTATIVE

There is an opening for a three-year term for a "Parent Representative" on the

These responsibilities include developing the school improvement plan and reviewing the school budget, as well as many other things. Anyone interested in running for this position must complete the nomination form below and return it to the Jackson School office. The election form will be posted in the Principal's corner in September, 2016 to give everyone a chance to vote.

**September School Supplies. I know it sounds far away, but we wanted to let all families know we will be collecting school supplies a bit differently next September. We have already ordered ALL school supplies students will need for the upcoming school year. Those folders, crayons, markers, pencils etc...you usually head to Target and Staples for, have already been purchased for our students. We know this can be an added expense for families and we wanted to eliminate any back to school stress. If families are looking to make a “donation” to classrooms teachers will never say no to extra glue sticks, tissues, baby wipes and pencils. Please know our goal with this shift is to make things easier for families and not feel the pressure of show up the first day of school with supplies.**
