## **Make New Friends with Girl Scouts!**

Fiske Public Library 110 Randall Rd., Wrentham, MA 02903 Thursdays, January 23rd and 30th, 2025 4:30pm-5:30pm

Girls in kindergarten and up (and their caregivers!) are invited to join us to learn about Girl Scouts! Stop by the library and discover what's great about Girl Scouting- making new friends, trying new things, and giving back to your community! Adults will learn about troops and how they can join in the fun too!

Come by just to learn or to register on the spot.

## Be a Girl Scout.
