**STEWARDS
OF CHILDREN®**
BY DARKNESS TO LIGHT

Guided by the vision of a world where children can grow up happy, healthy, and safe, Darkness to Light is committed to empowering adults to prevent child sexual abuse. We believe that protecting children is an adult's responsibility, and that through education and training, adults will be empowered to act.

What is Stewards of Children®?

Stewards of Children® is an evidence-informed, award-winning two and a half hour training that teaches adults to prevent, recognize, and react responsibly to child sexual abuse. Through interviews with a very diverse group of people with lived experience, experts, and treatment providers, Stewards of Children® teaches adults practical actions they can take to reduce instances of child sexual abuse in their organizations, families, and communities.
