- g. End-of-Year Technology Report-Ms. Whitaker (September 12, 2017)
- h. Calendar Committee (TBD)
- i. What Districts Need To Do Re: ESSA (TBD)

#### **15.** ADJOURNMENT

BoardDocs LT Formal Proposal

# **Executive Overview**

## Introduction

MASC BoardDocs LT is the ideal entry level, Cloud-based Board Management System. Developed specifically for public governing bodies of smaller organizations, BoardDocs LT provides a means of immediately publishing and revising agenda items, supporting documents, minutes and policies and procedures via the Internet. This service provides organizations with a simple way to eliminate paper-based and less advanced

electronic processes while maintaining a searchable legal repository for all documents.

BoardDocs also improves governance by making documents readily available to board members, designated staff and the public in a professional, easy-to-access format. The administration maintains total control over who sees what information and when. Governance stakeholders have immediate and ubiquitous access to their data via most Internet-connected devices. No third-party apps are required because BoardDocs is platform independent and looks, feels and functions the same across all devices.

Unlike email, general-purpose cloud services such as Google Docs, and PDF quick-fixes, BoardDocs is a turn-key, state-of-the-art solution, specifically designed for public governance. For example, the system "knows" not to allow communication between board members, is compliant with open records requirements, provides granular levels of security and contains many other community-defined features. With BoardDocs, there's no need to incur the cost of purchasing and supporting a thick client infrastructure; the organization need only provide Internet-connected devices to access the service.

## PLAINVILLE SCHOOL COMMITTEE MEETING Minutes of May 23, 2017

#### **Regular Session**

#### CALL TO ORDER

The meeting was called to order by Chairperson Amy Abrams at 6:03 p.m. in the Wood School Learning Commons. Also present were Linn Caprarella, Maggie Clarke, Javed Ikbal, Charlene McEntee and Superintendent Raiche. The meeting was audio and video recorded.

Administrators Present: Kate Campbell, Principal, Anna Ware Jackson School Edward Clarke, Administrator of Special Education and Support Services Caron Ketchum, School Business Administrator Robin Roberts-Pratt, Principal, Beatrice H. Wood School Stephanie Whitaker, Technology Systems Administrator

#### APPROVAL OF MINUTES

MOTION by Javed Ikbal, seconded by Maggie Clarke to approve the May 9, 2017 regular session minutes. Voted 4 in favor, 1 abstain (McEntee)

MOTION by Maggie Clarke, seconded by Javed Ikbal to approve and hold the May 9, 2017 executive session minutes. Voted 4 in favor, 1 abstain (McEntee)

SHOWCASE None.

COMMENTS BY CITIZENS AND FACULTY None.

COMMUNICATIONS AND AUDIENCES None.

#### **COMMENDATIONS**

Mrs. Abrams noted that the executive functioning presentation which Mrs. Campbell, Mrs. Griffin, and Mrs. Skeffington held at Jackson School on May 4<sup>th</sup> was valuable and an excellent presentation.

Mr. Clarke noted that ELL teacher, Taylor Anderson, did an exemplary job in obtaining information for the Coordinated Program Review, which was recently completed.

#### ITEMS FROM SCHOOL COMMITTEE MEMBERS/COMMITTEE REPORTS

a. King Philip School Committee-Mrs. McEntee

Mrs. McEntee reported that at last Monday's school committee meeting the King Philip School Committee had a large audience and extensive discussion about the proposed FY2018

School Committee Regular Session Minutes May 23, 2017

school budget. The Plainville Finance Committee and Board of Selectmen are meeting on Thursday night, May 25<sup>th</sup>, to continue review and finalization of the recommendation for King Philip's FY2018 budget, as they are not presently approving the recommendation of the King Philip School Committee.

# b. <u>Negotiations Subcommittee-Mrs. Caprarella, Mrs. Clarke</u>

Mrs. Caprarella said the Committee met on Monday, May 15, 2017 with the Plainville Education Association-Teachers and yesterday, May 22, 2017 with the Plainville Education Association-ESPs, and will meet in executive session at tonight's meeting.

- <u>Budget Subcommittee-Mrs. McEntee, Mrs. Abrams</u> The budget subcommittee is meeting tonight after the regular meeting and will review the FY2018 budget.
- d. Communications Subcommittee-Mrs. Abrams, Mr. Ikbal

The communications subcommittee met prior to this meeting and discussed marketing ideas. Mrs. Abrams' sister, Eileen Weinberg, attended the meeting; Ms. Weinberg works in marketing and facilitated a discussion on marketing and how to coordinate efforts for our district to reach out to the community. Of note: consider the social media that parents/staff/community utilize and in turn, the school committee should utilize the same social media to inform/present information. Mrs. Abrams suggested generating a calendar and coordinate the timing of messages; she said, "It takes 5-7 times in order to obtain engagement."

# e. Town Building Committee-Mrs. Clarke

Mrs. Clarke said the public information session recently held had an audience of approximately 35 townspeople. The tenor was positive. The sub bids are due, and the Committee is cautiously optimistic. They are meeting on Wednesday evening in the town library and are gearing up for the town meeting on June 5<sup>th</sup>.

Mrs. McEntee asked why the schools are not utilized for such meetings (as the senior center and town library) and Superintendent Raiche said he will reach out to the Town Administrator, Jennifer Thompson, to inform her that school buildings are available for usage for various town committees.

# f. Sick Leave Bank Committee-Mr. Ikbal

Mr. Ikbal said that the Sick Leave Bank met on May 9th and informed the Committee that a custodian was awarded twenty sick days from the sick leave bank.

# g. Wellness Committee-Mr. Ikbal

The Committee met on May 4<sup>th</sup> and discussed the "Nutrition Detectives" program recently held in our schools. The Foxboro YMCA has a program called "Fitness and Food for Champions", which we may use in the next school year. This program involves STEM-concepts such as cooking, kitchen techniques and training for a 5K.

## **RESIGNATIONS, TRANSFERS, APPOINTMENTS AND LEAVES**

*Resignation/retirement*: Charlene Ehrlinger, Special Education Teacher, Jackson School; effective on June 30, 2017.

Appointments: Diane DeFrank and Kathleen Corrigan, long-term substitute instructional paraprofessionals at Jackson School from May 8, 2017 until the end of the school year. Mrs. DeFrank is in kindergarten and Ms. Corrigan is in grade one.

In addition, Superintendent Raiche informed the Committee that he received a letter of resignation on Friday, May 19, 2017 from Maureen Larochelle, Jackson School Nurse, effective at the conclusion of the current school year.

## SUPERINTENDENT'S REPORT

## a. NEAS&C Correspondence dated May 10, 2017, Special Progress Report

Superintendent Raiche reported a letter was sent to both Mrs. Roberts-Pratt and Mrs. Campbell regarding accreditation. The letter informed them that NEAS&C has reviewed the Special Progress Report of their respective schools; they are commended for the transition of a school mission statement to a district mission, the continuous improvement and updating of technology at all grade levels and the movement toward 1-1 technology for students and staff.

# b. JA for a Day

The JA for a Day program was held at Jackson School on May 11<sup>th</sup> for students in grades kindergarten through 3. Approximately 35 employees from Liberty Mutual came to our school that day to present the program to an engaging and well-behaved audience of students. Tina Baker, grade 2 teacher, and Kristen Skeffington, Student Support Specialist, helped to coordinate this program.

# c. On the Same Page, TURN Meetings

Superintendent Raiche reported that the last TURN meeting was held on Friday, May 19<sup>th</sup> and discussed the grade/teacher liaison position, which was created for use during this school year. He and Mrs. Ryan recently sent out a survey to the grade/teacher liaisons about the validity of the position and its impact on communication. They received positive feedback for continuation of the position. He is reviewing the job description as a result of their discussion and results of the survey; it will be on a future school agenda for a revision vote. He plans to implement these positions for the 2017/2018 school year. In addition, the Instructional Leadership Committee will be implemented for the 2017/2018 school year.

# OLD BUSINESS

a. Policies (2<sup>nd</sup> Vote Required)

- File BHE, Use of Electronic Messaging by School Committee Members
- File BIA, New School Committee Member orientation
- File BIBA, School Committee Conferences, Conventions, and Workshops
- File GBEBC, Gifts to and Solicitations by Staff

- File KCD, Public Gifts to the Schools
- File IJNDB, Internet, Network and Email Responsible Use Policy for Staff

# MOTION by Linn Caprarella, seconded by Javed Ikbal, to approve the six (6) aforementioned policies as presented. So voted.

### NEW BUSINESS

*a.* <u>America's Best Defense, Karate, Use of Facility (Vote Required)</u> Since America's Best Defense is a new organization asking to use our schools, the Committee per our policy is asked to vote approval. Superintendent Raiche is recommending approval.

## MOTION by Maggie Clarke, seconded by Javed Ikbal, to approve the request from America's Best Defense, Karate studio, to rent the Jackson School gymnasium for their karate school graduation to be held on Friday evening, June 16, 2017. So voted.

## b. School Choice-PUBLIC HEARING (Vote Required)

Mrs. Abrams opened the public hearing at 6:30 p.m. Superintendent Raiche recommends not participating in the School Choice program during the 2017/2018 school year due to fiscal constraints. The public hearing was closed at 6:34 p.m.

MOTION by Javed Ikbal, seconded by Charlene McEntee, to approve the recommendation of Superintendent Raiche to <u>not</u> participate in the School Choice Program for the 2017/2018 school year. So voted.

## c. <u>Appointment of District Representative to Bi-County Collaborative Board of Directors (Vote</u> <u>Required)</u>

Mrs. McEntee asked what subcommittees Superintendent Raiche is presently participating in as our representative to the Bi-County Collaborative. Superintendent Raiche is currently on the facilities subcommittee and in the past was a participant on the budget subcommittee.

Mrs. McEntee is concerned about the location of classrooms for students who are part of the Bi-County Collaborative and wants to ensure the continuation of these classrooms in a public school setting. Member districts of Bi-County Collaborative, in her opinion, ought to set aside space in their school buildings for the Collaborative to utilize. It appears that the Collaborative may begin to utilize a separate building in Walpole for classroom space; however, Superintendent Raiche said this space will be geared towards middle/high school students and also said that when he was on the budget subcommittee, only three (3) programs were not in public school buildings.

MOTION by Linn Caprarella, seconded by Javed Ikbal, to approve the appointment of Superintendent David P. Raiche to serve as the district representative to the Bi-County Collaborative Board of Directors for the 2017/2018 school year. So voted.

## d. Job Descriptions(Vote Required)

- Student Support Specialist
- School Adjustment Counselor

# MOTION by Charlene McEntee, seconded by Javed Ikbal, to approve the two aforementioned job descriptions as presented.

Discussion about the job descriptions of student support specialist and school adjustment counselor with most dissension, raised by Mrs. Abrams, about the qualifications—Board Certified Behavior Analyst vs. Behavior Support Specialist certification--as well as discussion about the omission in the job description of School Adjustment Counselor leading team meetings. Also discussed the term *Professional Status* and Mrs. Clarke asked whether it is wise to ask staff members to go to student homes (as this is listed in the job description for the school adjustment counselor). After considerable discussion, it was decided to table the vote on these two positions.

# No Vote Taken on the above motion; as decision was made to table the vote.

e. <u>Discussion: Communication between Plainville Public Schools and King Philip Public</u> <u>Schools in matters pertaining to budget and special education</u>

Mrs. Abrams asked that this item be on the school committee agenda, particularly since there has been considerable discussion recently about the support/non-support of the proposed FY2018 school budget for the King Philip budget from the Plainville Finance Committee and Board of Selectmen. Lengthy discussion ensued. Note:

- School Committee members want the community to know that they are listening and participating in budget and special education process/decisions
- Mrs. McEntee said it is not common for Plainville parents to attend King Philip School Committee meetings as there is a contingent of parents from Wrentham and Norfolk who regularly attend their meetings
- The transition process of all students to King Philip: strengths and challenges are currently being discussed with the Regional Special Education Task Force of which Superintendent Raiche, Mr. Clarke, Special Education Administrator, Mrs. Campbell, Principal of the Jackson School and Annemarie Adams, Special Educator, are participants. This Task Force was created as a result of *The Walker Report*.
- Plainville provides information in a timely manner to King Philip about students entering in grade 7
- Superintendent Raiche meets regularly with the King Philip region superintendents
- Plainville's budget and King Philip's budget are separate

# f. Discussion: MASC presentation

MASC recently held presentations that Mrs. McEntee and Mrs. Abrams attended. One was by the Assistant Deputy Commission from DDS, Victor Hernandez, on available programs and the second presentation was by Elaine Varney and Audrey Lasher, from King Philip, on the

transition from age 22 out of special education and the regulations and steps to follow for these students.

## g. Legislative Update

Glenn Koocher. Executive Director of MASC, has sent an email to school committee members about the upcoming change to the formula used for the foundation budget.

Mrs. McEntee said there is a proposed "millionaire's tax"—monies from this tax will be earmarked for education.

## h. Any item(s) not anticipated at the time of posting

Mrs. Caprarella said the mural in the Jackson School library is something to be seen and commended Mrs. June Miller, Jackson School art teacher, who put the mural up. She said that the changes in the Jackson School library look great. (paint, furniture, rugs, etc.)

#### EXECUTIVE SESSION

a. <u>Negotiations – Plainville Education Association (PEA) and Education Support Professionals</u> (ESP)

MOTION by Linn Caprarella seconded by Javed Ikbal, to go into Executive session at 7:15 p.m. for the purpose of discussing collection bargaining strategies which, if held in open session, might hurt the Committee's bargaining position.

Roll Call Vote:Amy AbramsYesLinn CaprarellaYesMaggie ClarkeYesJaved IkbalYesCharlene McEnteeYes

Returned from Executive session at 7:40 p.m.

## **INFORMATION**

There was no discussion on items in information.

## ADJOURNMENT

MOTION by Maggie Clarke, seconded by Linn Caprarella, to adjourn at 7:41 p.m. So voted.

Respectfully submitted,

Susan M. Rieger, Recording Secretary

Meeting Handouts:

- Agenda
- Minutes from May 9, 2017

- Superintendent's Report: Document regarding the item listed in the superintendent's report
- Old Business: Policies that are recommended approval for a second vote

Date: June 8, 2017

To: From: Re: Re: School Committee David P. Raiche, Superintendent Resignations, Transfers, Appointments, and Leaves

## The following resignations have been received:

| Maureen Larochelle | School Nurse, Jackson School (effective June 19, 2017) |  |
|--------------------|--|--|
|--------------------|--|--|

Alison Gordon Instructional Paraprofessional, Jackson School (effective June 19, 2017)

### The following transfers have been made effective for the 2017/2018 school year:

| Jessica Vine  | Grade 4 Teacher to Grade 2 Teacher |  |
|---------------|------------------------------------|--|
| Caitlin Nunez | Grade 4 Teacher to Grade 6 Teacher |  |

### a. Enrichment Program

The 2016-17 school year Enrichment Program offered students in grades K-6 with the opportunity to participate in before and after school activities through its fall and winter/spring sessions. As you can see from the supporting documentation, our participation rate improved for the third consecutive year. I have also provided you with a multi-year report that includes data from the past three (3) years.

## b. Pre-School Program

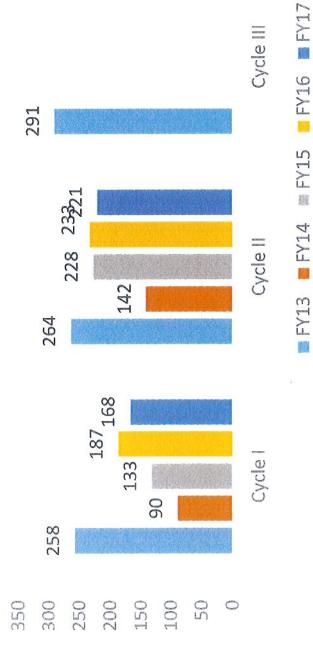

The need to expand our pre-school program was discussed at the May 23, 2017 Budget Subcommittee meeting. Several recently completed early intervention evaluations, which require service, led to the Budget Subcommittee supporting expansion. Given the increased cost of staffing we also discussed the program's current structure for the inclusion of typical peers (2, 3, and 4-day options). By moving to a 4-day only program for typical peers we anticipate collecting an additional \$9,000 in tuition fees. This would help offset the projected increase in personnel costs of \$20,000. The difference of \$11,000 will be covered by reducing personnel costs elsewhere in the FY2018 budget.

 Re:
 Network Administrator Job Description (Vote Required)

At the May 9, 2017 school committee meeting, the Committee approved the job description of Network Administrator. However, I would like to make one revision in the Terms of Employment section. I have enclosed the proposed job description.

Current job description approved May 9, 2017:

Terms of Employment: Full-time, 220-days with salary and benefits to be established by the Superintendent of Schools

#### Proposed job description:

Terms of Employment: Twelve-month full time position with salary and benefits to be established by the Superintendent of Schools

For your information: This position was budgeted as a twelve-month full time position.

I recommend approval. Thank you.

Student Support Specialist and School Adjustment Counselor Job Descriptions (Vote Required)

At the May 23, 2017 school committee meeting, the Committee decided to table the vote of approval for the Student Support Specialist and School Adjustment Counselor job descriptions.

With regard to the Student Support Specialist position I continue to recommend we indicate a preference to hire an individual with either BCBA certification or BSS certification in the future. For your information I have included additional information regarding these programs. The BSS certification program requires successful completion of three (3) courses while the BCBA certificate program requires successful completion of the same three (3) courses, three (3) additional courses, supervisory hours, and an exam.

With regard to the School Adjustment Counselor position I have added language which makes this person responsible for serving as team chair at Wood School.

# **Certificate Program**

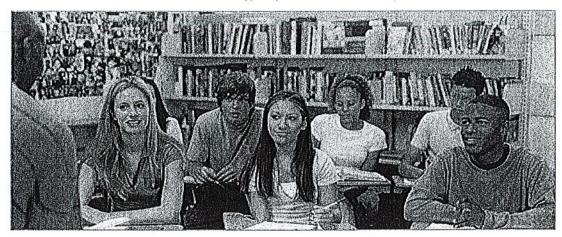

**The Behavior Support Specialist Certificate Program** was developed by University of Arizona faculty John Umbreit, Ph.D., Jolenea Ferro, Ph.D., and Carl Liaupsin, Ed.D. (<u>About Us</u>) It operates through a license officially granted by the University of Arizona. Instructors hold faculty rank in Special Education at the University of Arizona and have extensive experience in behavioral analysis, developing FBAs, and implementing function-based interventions.

The program is designed to deliver web-based, online training as continuing education for personnel who provide behavioral support in classrooms, schools, and related environments. The lessons and materials in the BSS Certificate program are uniquely designed to provide comprehensive instruction in behavioral support that teaches participants to effectively, independently, and appropriately apply these methods.

Participants earn CEUs for completing each course. Upon completion of all three courses, participants earn a Certificate as aBehavior Support Specialist. The Certificate identifies the participant as demonstrating proficiency in developing FBAs and function-based interventions.

This program has successfully trained school faculty to provide behavior support for groups and individual students for 8 years. (<u>Testimonials</u>) Participants progress through a series of three linked <u>Courses</u> addressing 21 competency areas and 90 competencies.

This program maintains compliance with all University of Arizona guidelines related to privacy and confidentiality. The course series also presents students with information and practical application of appropriate ethical standards regarding function-based intervention practices. Students in the course series are required to learn these ethical standards and apply them in their written assignments and their work with youth.

Since 2001, the Behavior Support Specialist (BSS) certificate program has delivered fully online web-based courses for individuals who provide behavioral support in classrooms, schools, and community settings. The program teaches participants to:

- · Effectively and independently conduct Functional Behavioral Assessments (FBAs),
- · Design function-based interventions, and
- · Support school-wide Positive Behavioral Intervention and Support (PBIS) efforts.

#### Courses are offered each year in the Fall and Spring semesters.

COST - Our BSS courses are offered through UA Online. Tuition is \$653 per unit. Participants must be registered as students at the University of Ariziona.

Those who are interested only in the BSS Certificate should apply for admission to the **Behavior Support Specialist Graduate Certificate** program at http://grad.arizona.edu. Click on **Apply Now**, select UA Online for the campus, and then select the BSS certificate program. Any questions or difficulties with applying should be directed to Kevin Prahar at kprahar@email.arizona.edu or at 520-626-2960.

For additional information about the University of Arizona BSS course of study, email Jolenea Ferro at jbferro@email.arizona.edu.

The BSS program is based on a **Complete Mastery Approach**. Participants must demonstrate competence in, and application of, each concept before they can move to the next lesson or to the next course.

The certificate program consists of three courses, each worth three (3) credit hours:

- SERP 502 Behavior Principles and Disability: Assessment and Intervention,
- SERP 529A Advanced Positive Behavioral Support, and
- SERP 529B Advanced Positive Behavioral Support.

#### **Course Descriptions:**

#### SERP 502 Behavior Principles and Disability: Assessment and Intervention

SERP 502 is the first course in the BSS sequence. It ensures that participants are knowledgeable about the basic behavioral principals and techniques of applied behavior analysis that are needed to complete accurate FBAs, and design effective function-based interventions and comprehensive Behavior Intervention Plans (BIPs). Students complete the course by conducting an FBA and developing a function-based BIP. Course 1 provides 3 credit hours/45 clock hours of instruction. Specific competencies in Course 1 address basic Applied Behavioral Analysis competencies needed to effectively complete an FBA and BIP.

#### SERP 529A Advanced Positive Behavioral Support

SERP 529A is the second course in the BSS sequence. SERP 502 is a prerequisite. It provides advanced knowledge and skills in applied behavior analysis and the factors that affect the application of behavior principles within schools and other natural settings, including ethical issues, effective instruction, and factors in the classroom environment. Participants complete an FBA, develop and test a function-based intervention, monitor, and make data-based decisions based on the effectiveness of the plan. Course 2 provides 3 credit hours/45 clock hours of instruction.

#### SERP 529B Advanced Positive Behavioral Support

SERP 529B is the third course in the BSS sequence. SERP 529A and SERP 552 are prerequisites for this course. It provides each student continued opportunity to apply and develop skills and knowledge of FBA, function-based interventions, legal and ethical issues, and collaboration within the context of their classroom, school, and district. Participants complete 2 additional FBAs and develop, implement, and monitor the function-based interventions. This course provides 3 credit hours/45 clock hours of instruction.

Online Applied Behavior Analysis Coursework

We offer a six-course sequence (18 semester hours) that meets all coursework requirements and addresses all the information required to take the *Board Certified* Behavior Analyst (BCBA) exam. This BACB-approved course sequence can be completed in a period of 16 months, which includes 3 consecutive semesters and one summer session. All coursework is offered fully online.

ABA

Those interested in taking the BCBA exam must also have at least a master's degree and experience supervised by someone who already holds the BCBA. If you are also interested in an MA, you should check our fully online MA in Behavior Support offered through the Special Education Program.

COST - Our ABA courses are offered through **UA Online**. Tuition is \$653 per unit. For more information, please see http://uaonline.arizona.edu/program/special-education-behavior-support-ma

For detailed information about the BCBA requirements, go to the BACB website.

Those who are interested only in the BACB-Approved Course Sequence should apply for admission to the Graduate Certificate In Applied Behavior Analysis program at http://grad.arizona.edu. Click on Apply Now, select UA Online for the campus, and then the certificate program in applied behavior analysis. Any questions or difficulties with applying should be directed to Kevin Prahar at kprahar@email.arizona.edu or at 520-626-2960.

For additional information about the University of Arizona BCBA course of study, email Jolenea Ferro at jbferro@email.arizona.edu.

#### **Course Descriptions**

SERP 502 Behavior Principles and Disability: Assessment and Intervention,

is the first course to be taken. It ensures that participants are knowledgeable about the basic behavioral principles and techniques of applied behavior analysis that are needed to complete accurate FBAs, and design effective function-based interventions and comprehensive Behavior Intervention Plans (BIPs). Students complete the course by conducting an FBA and developing a function-based BIP. SERP 502 provides 3 credit hours/45 clock hours of instruction.

SERP 529a Advanced Positive Behavioral Support, provides advanced knowledge and skills in applied behavior analysis and the factors that affect the application of behavior principles within schools and other natural settings, including ethical issues, effective instruction, and factors in the classroom environment. Participants complete an FBA, develop and test a function-based intervention, monitor, and make data-based decisions based on the effectiveness of the plan. SERP 529a provides 3 credit hours/45 clock hours of instruction.

**SERP 529B** Advanced Positive Behavioral Support, provides each student continued opportunity to apply and develop skills and knowledge of FBA, function-based interventions, legal and ethical issues, and collaboration within the context of their classroom, school, and district. Participants complete2 additional FBAs and develop, implement, and monitor the function-based interventions. SERP 529b provides 3 credit hours/45 clock hours of instruction

SERP 552 Issues in Applied Behavior Analysis, increases knowledge and skills in working with persons with challenging behavior using the most advanced techniques. Participants learn to design and briefly implement an experiment in which one fixed and one variable schedule are compared, design and implement a stimulus discrimination procedure, define and use stimulus equivalence procedures, conduct a brief functional analysis, organize and interpret functional analysis data, and analyze case studies of a variety of procedures. SERP 552 provides 3 credit hours/45 clock hours of instruction

**SERP 590** *Single Subject Research*, reviews principles and practices underlying various single-subject research designs. Participants learn the advantages and disadvantages of various designs and how to select a research design that is appropriate to a given scenario. They also learn to critically evaluate research that incorporates single-subject research designs, create data graphs, and develop a comprehensive research proposal. SERP 590 provides 3 credit hours/45 clock hours of instruction

SERP 553 Ethical Issues in Behavior Analysis, enables students to apply ethical and professional standards and concerns that are salient to the interactions between their work, the people they serve, and others involved in the process (e.g., other professionals, families, systems of care, and society). Participants analyze case studies to identify examples of ethical violations, identify resolutions of ethical violations, conduct a risk-benefit analysis, apply components of effective evidence-based supervision, and explain ethical guidelines (e.g., voluntary participation, informed consent, and confidentiality) for behavior analytic research. SERP 590 provides 3 credit hours/45 clock hours of instruction

| Re:  | Curriculum Coordinator Job Descriptions (Vote Required) |

I recommend one minor adjustment to the curriculum coordinator position job descriptions—replace the term 'pacing guides' with 'curriculum maps'. This is on the three curriculum coordinator job descriptions—language arts, mathematics and science.

Enclosure

## MEMORANDUM

To: Plainville School Committee

From: Chl2Caron Ketchum School Business Administrator

Date: May 30, 2017

Re: Gift to Plainville Public Schools (Vote Required)

In accordance with Massachusetts General Laws Chapter 44, Section 53A-Grants and Gifts; Acceptance and Expenditure, I have been notified by the Town Accountant that all gifts and donations must be formally accepted by the School Committee before funds are released from the Gift Account for school use.

Please be advised that I am in receipt of the following gift from Bay State Recycling Program.

## Baystate Textiles, Inc.

The Plainville Public Schools is in receipt of **\$50.00** for the Plainville district. This money is to be used to reimburse expenses for district technology purchases.

The district receives \$100/ton or 5¢ per pound for recycling textiles. Since the program's inception in October 2013, the district has recycled <u>30,485</u> pounds for a total of **\$1,524.25**.

Please take a vote of approval to accept this gift from Baystate Textiles, Inc.

## INTEROFFICE MEMORANDUM

TO:PLAINVILLE SCHOOL COMMITTEEFROM:KATE CAMPBELLSUBJECT:STOP & SHOP A+ REWARDSDATE:MAY 31, 2017

Please accept the attached check in the amount of \$2042.17 for the Anna Ware Jackson School Gift Account.

Next year we are planning on purchasing new long sleeve shirts for all staff members as well as t-shirts for students. I would also like to use some of the money throughout the school year to purchase coffee for the staff and snacks for students.

Cc: David P. Raiche, Superintendent

| Re:  | PTO Fundraisers for 2017/2018 (Vote Required) |

I met with PTO president, Lauren Cecko and we reviewed the proposed listing of PTO fundraisers for the 2017/2018 school year. Mrs. Cecko will be at the meeting to answer any questions you may have.

For you information the new fundraising activities are:

- Amazon Smile, which works much like the Stop & Shop Rewards Program;
- It's a Sign Party a parent only event;
- Coin Wars, which works the same as students/staff coin fundraisers from the past; and
- Gift Card Fundraiser.

New activities include the Holiday Boutique at Wood School and Wood School Trivia Night.

I recommend approval of the PTO 2017/2018 fundraisers.

Enclosure

## PTO Fundraisers For 2017-2018:

- 1. Book Fair 1- Fall WOOD school 1- Spring Jackson
- 2. Fun Fair
- 3. B.J.'s memberships
- 4. Holiday Boutique Jackson
- 5. Holiday Boutique Wood
- 6. Auction
- 7. Movie Night
- 8. Gift Card Fundraiser
- 9. Wood School Trivia
- 10. Coin Wars

School Improvement Plan Beatrice H. Wood School Plainville, Massachusetts

2017-2018

The Mission Statement of the Plainville Public Schools

As members of the Beatrice H. Wood School Council, we are committed to the following beliefs:

- All children have the ability to learn and succeed.
- All children learn and develop at different rates and in different ways.
  - All children have value and deserve respect.
    - High expectations lead to high performance.
- All members of our school community are teachers and learners.

  - Class size and staffing levels affect student success.

District Strategic Plan Goal: Align the district's curricula to the state curriculum frameworks both vertically and horizontally while also ensuring that instruction and assessment across subject areas reflects effective practice and high expectations for all students. Long Term Objective: To continue alignment of Plainville curriculum to state frameworks maximizing creativity through the use of Professional Learning Communities.

| Action Steps to Accomplish Objective  | Person(s)<br>Responsible                    | Anticipated Date<br>of Completion | Indicators of Accomplishment<br>(Evaluation Criteria)   | Projected Expenses                                       |

| N    | Superintendent of Schools                             |
| Re:  | Policy File: IJNDC, Web Publishing Policy and         |
|      | Policy File: IJNDD, Social Media Policy for Staff and |
|      | School Web Publishing/Social Media Release Form       |

I have enclosed the following:

- Policy File IJNDC, Web Publishing (attached is the current policy and the proposed policy)
- Policy File IJNDD, Social Media Policy for Staff (new proposed policy) and
- The School Web Publishing/Social Media Release Form (this will not be part of the policy, but rather a release form which pertains to both policies).

Please take a 1<sup>st</sup> vote of approval for the proposed Policy File IJNDC, Web Publishing and for the proposed new Policy File IJNDD, Social Media Policy for Staff. These policies have been reviewed by Mrs. Whitaker, Technology Administrator, as well as Attorney Andrew Waugh.

I also forwarded them to Jennie Ryan, Phyllis Clayman, and Laura Schoonmaker last week for review and comment. Should I receive any, I will so inform you.

Enclosures

## WEB PUBLISHING

- Educational Value—All published material must have educational value and support the School District goals, guidelines, mission statement and policies.
- Web Content—All web content must be appropriate, accurate and complete and is overseen by the Webmaster in the School District. The content will be reviewed prior to posting to the website.
- **Protect Privacy**—At no time shall any student's personal information such as home address, phone number or e-mail address appear on the Internet. No name will be associated with student's photograph or student's class project for web publishing.
- Student Safety—A stranger should never be able to connect a student's name with his/her face. Pictures of students or activities of students that are taken from a distance may be posted to the Internet. However, close-up pictures or pictures of students who can be easily identified from a distance will not be posted to the Internet without parental permission due to the security and safety of the student (A web publishing permission form needs to be signed by the parents).
- **Copyright Laws**—Adhere to all copyright laws. Anyone wishing to use the materials on the Plainville Public School website or any other website is under obligation to obtain permission of the webmaster or the person who created the materials.
- **Content Monitoring/Auditing**—Regularly monitor your web page for appropriateness, quality, and educational value. Test your web page prior to submission using the minimum Internet speed connection (such as 56K dial-up modem) and lowest browser version (such as version 3.0) so that others with minimum connection may have access to the web page.

## WEB PUBLISHING

The Plainville Public School website is a central point of location and resource to obtain school information. It is also a means of communication between the school district and students, parents and community members. When creating school webpages, staff members must publish materials that are of educational value and support the school district goals, guidelines, mission statement and policies. Material appropriate for web publishing includes school related information such as agendas, policies, appropriate administrative procedures, activities/services, schools, teachers/classes, and student projects. Anything that conflicts with the educational mission of the district is prohibited. Staff members are expected to follow the guidelines provided below:

- Web Content—All web content including external links to other websites must be current, appropriate, accurate, and complete and is subject to review by the technology department of the School District. Posting commercial advertising, marketing or a personal web page is prohibited.
- **Protect Privacy**—At no time shall any student's personal information such as home address, phone number or e-mail address appear on the school district website. No name will be associated with students' photographs, videos, audio files or students' class projects for web publishing. Additionally, no staff members' home telephone numbers, home addresses, photographs, videos or audio files will be posted on any school webpage without their consent.
- Student Safety—A stranger should never be able to connect a student's name with his/her face. To be in compliant with COPPA (Children's Online Privacy and Protection Act), photographs, videos, and/or audio captured of students in activities and events, and/or student projects shall not be posted to the school district website site without parental permission. (A web publishing permission form needs to be signed by the parents).
- **Ownership and Retention** All school district web pages are the property of the Plainville Public Schools. Web pages will be deleted when a staff member leaves the district.
- **Copyright Laws**—Anyone wishing to use the materials on the Plainville Public School website or any other website is under obligation to obtain permission from the technology department or the owner who created the materials in order to adhere to all copyright laws.

## SOCIAL MEDIA POLICY FOR STAFF

The school district shall remind all staff of the need for proper decorum in the digital world. All employees are expected to conduct themselves in ways that do not distract from or disrupt the educational process. The Plainville Public Schools recognizes the proliferation and, in some instances, usefulness, of online conversation between staff and students and/or their parent/guardian. However, due to the nature of social media sites, there exists a risk, without care and planning, that the lines between one's professional life and personal life will be blurred. Staff should always be mindful of how they present themselves to the world, online and otherwise.

## Professional Responsibility

All communications of any nature should be crafted with the expectation that the communication could become public. Staff must also know that any information shared privately with a recipient could be redistributed by such recipient, without the knowledge or consent of the staff member. The same principles which apply in face-face communication should also be applied to online conversation. In essence, nothing posted online is every truly "private". The distributor of all content is responsible for the content and the appropriateness of all materials.

When staff members communicate through social networking sites, such information is not retained. The responsibility falls on the staff member to comply with public records laws when using personal email or social media accounts to communicate with students and/or parents and guardians.

## Personal Responsibility

Before endeavoring to establish any social networking account, staff members should familiarize themselves with the features of any account they choose to use. For example, social networking sites may require account holders to take specific steps to "privatize" the information they place online. Staff must educate themselves to the features of any social networking site selected. Staff are responsible should any information intended to be "private" becomes "public" due to their ignorance of the features of the social network chosen or failure to properly use such features.

Staff members shall also establish a social network identity and email identify that is separate from his/her "personal" social network identity or personal email account. Also, staff shall only use an educational social network account or educational email account to communicate with students and/or parents/guardians on matters directly related to education. The "friends" associated with such educational social network account should only be members of the educational community, such as administrators, staff, students and parents of such students. It is strongly recommended that staff members reject friend request from individuals who do not fit into any of these categories.

## Privacy and Confidentiality

At all times and in the use of any form of communication, staff members shall always adhere to student privacy rights and the rights of employees to have their personal and medical information kept confidential. Information that is protected by law from disclosure to third parties should not be communicated online in a way the unreasonably exposes such information to retrieval by third parties. For example, through an educational social networking account, a staff member may not post or discuss confidential student information on the "wall", the "information" section, or through any part of the social network account that would be accessible to other staff member's social network "friends" associated with that account. One must always keep in mind that all online postings and conversations are treated as public records.

## Posting Photos and/or Videos without Permission

Staff members are not to post or tag photos, videos and/or audio files of students, staff members or school activities without the express permission of the adult individual(s) or permission of the parent of students who are shown in the pictures. Additionally, do not post photos, videos or audio files of students without parent consent.

Staff members should follow the guidelines below and exercise good judgment when presenting themselves on social networking sites including but not limited to Facebook, Twitter, Instagram, and other digital tools.

- Staff members shall not list current Plainville School students as "friends" on networking sites.
- All e-contacts with current Plainville School students should be through the Plainville School District's computer and telephone system, except for emergency situations.
- Staff members shall not give out their personal contact information to current Plainville school students without prior approval of the Plainville School District.
- Staff members shall not engage in prejudicial or discriminatory attacks, sexual harassment or other forms of cyberbullying.
- Staff members shall not post false, defamatory, threatening, racist or disrespectful language about a person or organization. This includes, but is not limited to, the posting of inappropriate and obscene content, photographs or other such information that might result in disruption of the Plainville School District.
- Staff members should no comment on other institutions or legal matters.

From: David P. Raiche Superintendent of Schools Re:

School Committee

Approval: Revised FY2018 Educational Budget Plan (Vote Required)

I recommend that you approve the revised FY2018 Education Budget Plan as presented in the attached document.

The new budget is \$9,015,597.00, the same amount approved by the townspeople on June 5, 2017. In comparing this line item budget to the one previously approved two (2) changes have been made. The first is IT Classroom Hardware (2451-5-0200) which has been reduced by \$40,000.00 and the second is custodial/maintenance salaries (4100-3-0200) which has been reduced by \$20,000.00.

## MEMORANDUM

| Re:   | Approval for use of Procurement Cards (Vote Required) |
|-------|---|
| Date: | June 7, 2017  |
| From: | Caron Ketchum<br>School Business Administrator        |
| То:   | Plainville School Committee                           |

The use of procurement cards will expedite District purchasing and payables for isolated one-time purchases. Issuance of a procurement card under the name of the Plainville Public Schools is a privilege and every reasonable effort will be made to ensure cards are used responsibly and in a manner consistent with District policies, guidelines and applicable laws and regulations of the Commonwealth of Massachusetts.

Procurement cards will be issued to the Superintendent and Business Office for use by Plainville Public Schools administration. The Superintendent of Schools will retain authorization as to the type of items that can be purchased on the card and the maximum single transaction limit. Procurement cards may be used for travel, lodging and conference or seminar registrations with permission of the Superintendent of Schools. Procurement cards can also be used for one time emergency purchases authorized by the Superintendent via signed memo, email or purchase order.

The School Business Administrator and the Town Accountant will establish and issue guidelines for procurement card users. The procurement cards will be stored in a secure place and the account number will be protected. A card number may be used in a secure internet transaction but will never be written out and transmitted via email. If a procurement card is lost or stolen, the School Business Administrator will notify the bank, local police department and Town Accountant. Replacement of a lost or stolen card will be at the determination of the Superintendent of Schools.

Approval for use of Procurement Cards June 7, 2017 Page 2

Failure to adhere to procurement card policy and guidelines will result in revocation of card use. An individual who is found to be in abuse of procurement card usage will be subject to disciplinary action up to and including termination from employment along with potentially criminal charges being filed against them, In addition the district will seek restitution for any inappropriate charges made to a procurement card.

The School Business Administrator and Town Accountant will establish procedures to be followed regarding reconciliation processes. All relevant records are to be included with each statement and retained with applicable warrant records. The School Business Administrator is responsible for ensuring that documentation is available for review and audit.

Please take a vote of approval to allow the use of Procurement Cards in the Plainville Public Schools.
