Dear Parents and Guardians,
It is strongly recommended that all children have money on their lunch accounts. All money stays with your child through the **sixth grade**.

Here are your simple choices:

1. Make your lunch payments on line. Go to www.myschoolbucks.com and make payments. If you do not have your child's ID number contact the food service office at the above information.
2. Send in a check for with your student name on the memo line. Lunch is \$2.25 that includes milk. Milk only is \$.50. May I recommend \$67.50 for 30 lunches and \$10 for milk (white or chocolate) customers only.
3. Your child may pay cash for lunch but this is not recommended as money gets lost and it slows down our lunch lines.
