June 12, 2017

*****END OF SCHOOL YEAR REMINDER**

Students who have medications in the Nurse's Office

All medications must be picked up by 12:00pm on Monday June 19th. Medications left in the Nurse's Office after that date and time will be disposed of. The only exception to this is Epi Pens.

A new doctor's order for the 2017-2018 school year should be brought in with the medication at the start of school. If you have an appointment over the summer take advantage of the opportunity to get this done in advance.

Have a wonderful summer!
