Chen had to go to the vet.

His dog got sick.

Fang was a strong dog, but he got a chill.

Chen rings the vet.

The vet says to bring Fang in.

Fang had to get a shot at the vet.

Chen and Dad went to the vet in the van.

At the vet, Beth had a pet who sings.

The vet had to fix her pet's wing.

Her pet had to have a shot too.

Fang saw Beth's pet. Beth's pet sang a long song.

Then Fang got his shot from the vet.
