Carla's dog, Fluff, wanted to go outside. Carla let him out. She waited a few minutes, then called to let him back inside. Fluff ran inside and- oh no! He was covered in mud! "Yikes," Carla said. "You need a bath!" Carla turned on the water and filled up the tub. She grabbed Fluff, put him inside the tub, and washed him. Afterwards, she dried him off. Finally, Fluff was clean again!
