

b & d Review - Card Game

B is Bad

1. Write the following words on index cards (any pieces of paper).

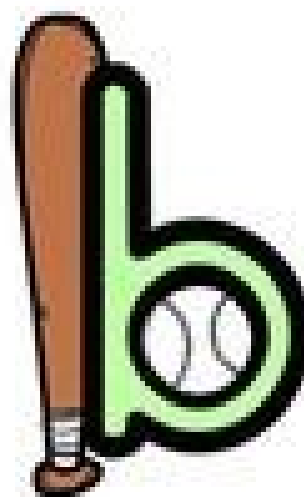

cab, cob, dab, dog, back, dock, duck, bog,
sad, mad, bat, rib, rid, rob, rod, rub, did,
pad, dug, Sid, Bob, web, jab

2. Put the deck of cards in the middle of two players with the words facing down.
3. Take turns reading the top card. If you get a card that has the letter b - it's bad! You lose all of your cards to the other player.
4. If you take a card with the letter "d" - you're safe!
5. The person with the most cards when the last card is drawn wins!

b and d song

(tune: Farmer in the Dell)

A bat and a ball,
A bat and a ball,
That's how to make a b,
A bat and a ball.

A doorknob and a door,
A doorknob and a door,
That's how to make a d,
A doorknob and a door.
