Don't Be Greedy!

Digraphs (sh, ch, th, wh, ck)

What's included in this set:

- 1 "Don't Be Greedy!" deck cover card
- 55 Digraph word cards (13 "sh" cards, 12 "ch" cards, 12 "th" cards, 8 "wh" cards, 10 "ck" cards)
- 8 "You were greedy!" cards

How to play:

1. Shuffle cards and place them all in a pile face down.
2. Player 1 draws a card and reads the word on the card aloud.
3. Player 1 keeps drawing cards and reading words until they decide to "lock" their cards and keep them safe. If they lock their cards, those cards cannot be stolen and it becomes the next player's turn.
4. If a player draws a "You were greedy!" card before they lock their cards, their turn is over and all of the cards they read **on that turn** are added to the next player's safe pile.
5. Depending on how many players there are, play either to the first player to have a certain number of cards OR until the deck runs out and count who has the most cards.
