

Technology Committee

The Technology Committee encourages and assists the teaching faculty in using effective and innovative technology throughout the district. Its members review the district's technology plans annually; evaluate the implementation of new and existing technology; share ideas, strategies and best practices in technology integration; and remain knowledgeable of technology trends, issues and research.

The Technology Committee is comprised of the following individuals:

Caitlin Carter, Kindergarten Teacher

Michelle Flynn, Grade 5, Beatrice H. Wood School

Tricia Fregeau, Grade 3, Anna Ware Jackson School

Ian Hall, Digital Support Specialist

Anna Horrigan, Special Educator, Gr. 3, Anna Ware Jackson School
