

The Life We Have Chosen

Shifts in our field requiring cognitive & emotional adaptations

- ▶ Accountability has increased
- ▶ The pace of change has accelerated
- ▶ The knowledge & skills necessary go well beyond content and pedagogy
- ▶ The complexity of our work demands highly effective collaboration and continuous learning
- ▶ The impact of 24/7 social media on work/life balance

In organizations that innovate & continually learn

- ▶ People must learn to be comfortable
 - ▶ Not knowing
 - ▶ Not being right
 - ▶ Asking for help
 - ▶ Reporting mistakes
 - ▶ Failing (quickly)
 - ▶ Disagreeing (agreeably) with colleagues & supervision
