

Grade 5 Distant Learning Math and Science Must Do/May Do Menu Week of June 1, 2020

Monday- 6/1	Tuesday- 6/2	Wednesday-6/3	Thursday -6/4	Friday -6/5
Math/Science Must Do: Graphing Points on a Coordinate Grid Mini Lesson- Be sure to check your email Monday morning for the Zoom meeting link Can't make it to the meeting, be sure to check out the mini lesson here: https://www.youtube.com/watch?v=-s22B-dmQmY&feature=youtu.be&hd=1 Rube Goldberg STEM Challenge Introduction- https://www.youtube.com/watch?v=suNEb_3uV7M&feature=youtu.be Be sure to check out these awesome examples of Rube Goldberg Machines! Rube Goldberg Sample Videos Complete last data collection of Decomposer Terrarium and complete the lab CONCLUSION (See Week 9 Lab Sheet)	Math/Science Must Do: Check out this Coordinate Grid and Ordered Pairs NumberRock https://www.youtube.com/watch?v=d6vhjpnfd3c Reading a Coordinate Grid Practice Reading a Coordinate Grid Practice Determining Points in Quadrant 1 Practice Determining Points in Quadrant 1 Practice Plan, design, and test your Rube Goldberg Machine- be sure to complete the planning sheets (Tomorrow you'll be sharing your machine via Zoom) Rube Goldberg Machine STEM Design Challenge Planning Page May Do: Share a love of literacy with Mrs. Lareau https://www.plainville.k12.ma.us/site/Default.aspx?PageID=205	Math/Science Must Do: Boat Coordinate Game- Choose 1 quadrant grid or challenge yourself and choose 4 quadrant grid! https://www.mathnook.com/math/boatcoordinates.html Hit the Coordinate and Score Points https://www.mathsisfun.com/data/click-coordinate.html Science LIVE! Rube Goldberg Machine STEM Challenge Share Out- Be sure to check your email Wednesday Morning for the Zoom meeting link Can't make it to the meeting, be sure to take a picture or video of your machine in action and email it to your teacher! May Do: Mrs. Olynciw is a musical mastermind with these activities https://www.plainville.k12.ma.us/Page/3723	Math/Science Must Do: Coordinate Grid Mystery Pictures- Choose 1 of the following mystery pictures to complete Mystery Picture 1 Mystery Picture 2 Mystery Picture 3 Rube Goldberg STEM Challenge Extension- (Check your email this morning for a challenge extension) After you complete your challenge, take a picture or a video of your extension and email it to your teacher! May Do: Be inspired by these awesome art activities from Mrs.Radcliffe https://www.plainville.k12.ma.us/Page/3749	Math/Science Must Do: Plan a neighborhood coordinate grid project Plan a Neighborhood Coordinate Grid Project Complete the Rube Goldberg STEM Challenge Reflection Form https://forms.office.com/Pages/ResponsePage.aspx?id=ao0TkoppeUqWX1_IePWn4coFZOBpGh9Iuibg0Vs0H4RUN0FEV1NOSDBONVo1WDI3RThTU0pXSkIYSS4u May Do: Mr. Murphy will have you sweating in no time these P.E. activities https://www.plainville.k12.ma.us/Page/2165
