To Parents/Guardians:

Each year the MA Department of Elementary and Secondary Education (MADESE) issues district and school report cards as required by Every Student Succeeds Act (ESSA) for those districts that receive Title I funds. Please click on the links below to access Plainville's district report, the school report for the Anna Ware Jackson Elementary School and the school report for the Beatrice H. Wood Elementary School.

We are proud of all that was accomplished during the 2019/2020 school year, but please note that some of the information normally assembled is lacking due to the onset of the Coronavirus pandemic in the spring of 2020.

After reviewing this information, please feel free to contact me or Mrs. Robbins or Mrs. Roberts-Pratt with any questions, comments or suggestions.

Thank you and take care.
