Dear Parents/Guardians and Staff:

I hope that everyone had a safe weekend as was mentioned last Friday.

Commissioner of Education Jeffrey Riley issued a letter to all parents of students in grades K-12 outlining the state's plan for remote learning. You may access this information by [clicking on this link](#). The principals and teaching staff are working daily to meet the provisions for remote learning as set by the commissioner.

At this time, I would also ask that you complete the family survey you were emailed last Friday if you have not done so already.

Thank you for working with us and for continuing to support our efforts and those of your children. Take care!

David P. Raiche
Superintendent of Schools
