

SEXUAL HARASSMENT

I. INTRODUCTION

It is the goal of Plainville Public Schools to promote a workplace that is free of sexual harassment. Sexual harassment occurring in the workplace is unlawful and will not be tolerated by this organization. Further, any retaliation against an individual who has complained about sexual harassment or retaliation against individuals for cooperating with an Investigation of a sexual harassment complaint is similarly unlawful and will not be tolerated. To achieve our goal of providing a workplace free from sexual harassment, the conduct that is described in this policy will not be tolerated and we have provided a procedure by which inappropriate conduct will be dealt with, if encountered by an employee of the Plainville Public Schools.

Because Plainville Public Schools takes allegations of sexual harassment seriously, we will respond promptly to complaints of sexual harassment and where it is determined that such inappropriate conduct has occurred, we will act promptly to eliminate the conduct and impose such corrective action as is necessary, including disciplinary action where appropriate.

Please note that while this policy sets forth our goals of promoting a workplace free of sexual harassment, the policy is not designed or intended to limit our authority to discipline or take remedial action for conduct which we deem unacceptable, regardless of whether that conduct satisfies the definition of sexual harassment.

II. DEFINITION OF SEXUAL HARASSMENT

In Massachusetts, the legal definition for sexual harassment is this: “sexual harassment” means sexual advances, requests for sexual favors, and verbal or physical conduct of a sexual nature when:

- a) submission to or rejection of such advances, requests or conduct is made either explicitly or implicitly a term or condition of employment or as a basis for employment decision.
- OR
- b) such advances, requests or conduct have the purpose or effect of unreasonably interfering with an individual’s work by creating an intimidating, hostile, humiliating or sexually offensive workplace.

Under these definitions, direct or implied requests by a supervisor for sexual favors in exchange for actual or promised job benefits such as favorable reviews, salary increases, promotions, increased benefits or continued employment constitutes sexual harassment.

The legal definition of sexual harassment is broad and in addition to the above examples, other sexually oriented conduct, whether it is intended or not, that is unwelcome and has the effect of creating a workplace environment that is hostile, offensive, intimidating, or humiliating to male or female workers may also constitute sexual harassment.

While it is not possible to list all those additional circumstances that may constitute sexual harassment, the following are some examples of conduct, which if unwelcome, may constitute sexual harassment depending upon the totality of the circumstances including the severity of the conduct and its pervasiveness:

- Unwelcome sexual advances, whether they involve physical touching or not;
- Sexual epithets, jokes, written or oral references to sexual conduct, gossip regarding one's sex life; comment on an individual's body, comment about an individual's sexual activity, deficiencies, or prowess;
- Displaying sexually suggestive objects, pictures, cartoons;
- Unwelcome leering, whistling, brushing against the body, sexual gestures, suggestive or insulting comments;
- Inquiries into sexual experiences, or;
- Discussion of sexual activities.

All members of the workplace should take special note that, as stated above, retaliation against an individual who has complained about sexual harassment, and retaliation against individuals for cooperating with an investigation of a sexual harassment complaint is unlawful and will not be tolerated by the Plainville School Department.

III. COMPLAINTS OF SEXUAL HARASSMENT

Grievance Officer The Committee will appoint the Superintendent of Schools as the sexual harassment grievance officer who will be vested with the authority and responsibility of processing all sexual harassment complaints. In the event that the complaint is lodged against or by the Superintendent, the School Committee Chairperson will serve as the grievance officer in this instance only.

If the individual bringing the complaint does not first want to discuss the complaint with the Superintendent, he/she may first discuss the issue with the Principal or a staff member, who in turn, will report the allegation to the Superintendent within 24 hours.
