

May 21, 2020

Dear Jackson Parents/Guardians:

I hope this letter finds you all well during these challenging times.

Entering Kindergarten is an exciting time for us all. Although we still have a few unknowns with the start of the school year, we look forward to building our Jackson community with our newest students. We will continue to update and inform families as time unfolds as to any shifts or changes that may need to be made.

We are trying to do as much of our Kindergarten registration paperwork virtually, but a few forms will need to be sent in via paper copies.

You should have received paperwork a few months back. These forms would have been brought in during our in-school registration day. Since that is no longer an option, we are asking that you take a few minutes to fill out and gather the needed registration information. Please fill out the forms and send back in the enclosed Jackson School pre- paid stamped envelope. Once we receive all the required paperwork your child will be enrolled for the 2020 – 2021 school year.

- Enrollment form (2 sided)
- Yellow Home Language Survey
- Proof of Residency form ***and 2 proofs of residency***
- Birth Certificate
- Immunizations

If you have misplaced your old forms they can be found on the Jackson School Website for you to download and send in. If you cannot download them and/or need a paper copy please contact Suzanne Roberts @ 508-699-1304 or sroberts@plainville.k12.ma.us, and we can send you a new set in the mail.

Please let your child know the kindergarten teachers are excited to see/meet their new students and look forward to a great year of learning.

Please let us know if you have any questions that we can clarify or assist you with.

Stay well.

Sincerely,

Kate Campbell
Principal
