

Parent Approval Form for Personally Owned Electronic Device (POEDs) of Staff

I understand that Personally Owned Electronic Devices (POEDs) such as cell/smart phones, laptops, notebooks and tablets may be used by staff members to support teaching and learning, professional development, and job related activities. Also, I understand that student related information including photos, videos and audio files may be captured and stored on the POEDs of staff members.

Given my understanding, I grant permission for staff members to use their POEDs for educational purposes. This permission is valid for the current school year only, and may be revoked by the Plainville Public Schools at any time for improper use of their POEDs, or other reasons. At the end of each school year, all student related information will be deleted from the POEDs of the staff members.
