SCHOOL WEB PUBLISHING/SOCIAL MEDIA RELEASE FORM

Plainville Public Schools strives to promote, display and celebrate the school activities, events and student projects with parents and the community through various means of communication. From time to time, we will post students' photographs, videos, audio files or students' class projects on the school website and school approved social media sites such as facebook. To post such information, we will require parents/guardians to fill out the permission form below.

To be in compliance with COPPA (Children's Online Privacy and Protection Act), the School Web Publishing Policy and Social Media Policy are in place to ensure the safety and privacy of your child. At no time shall your child's personal information such as home address or phone number will appear on the school website or school approved social media site(s). No name will be associated with students' photograph, video, audio file or student's class project for posting on the school website or school approved social media site(s).

Please complete the School Web Publishing/Social Media Release Form by signing and returning it to your child's classroom immediately.
