We encourage summer reading to be enjoyable for each and every student. If your child does not like to read, try reading a magazine, or part of the newspaper. Most students enjoy the comic section of the paper.

Another "fun" way to get your child to read is to have them ask another adult what their favorite book was as a child. It is possible the book still exists in a library. Try to find a "quiet" time each day to read. It is usually a good idea if you take this time to read also.
