

Wilson 1.6

Week of 4/13

1. **TRICK/SIGHT WORDS:** Pick 2-3 new trick words from last week's list. Add them to your sight word stack. Practice reading and spelling them in different ways.
2. **FLASHCARDS ("At Home Fat Stack"):** Add the nonsense words (p3 of this document) to your fat stack. Practice reading them. Use them for card games. Hint: "Poison Star" "Vowel War" "ZAP" etc.
3. **Mark-up Words (Steps 1.3-1.6) - see below**
4. **PASSAGE READING:** Read A Jog with Chan (attached). Read it in your head. Read it out loud. Summarize what happened first, next, and last. This should feel comfortable/easy. Therefore, your fluency and comprehension should be strong! 😊😊
