

2.4

Week of 4-13

1. **SIGHT WORDS:** Continue to add words to your sight word stack. Practice reading and spelling them. Send Mrs. Wescott a list of the words you've practiced so far!
2. Watch the **2.4 Introduction** Powerpoint with voice-over. (This is my first attempt at a recorded lesson in this format!) Watch this as many times as necessary.
3. Practice with the Student Reader pages that I will send separately.
 - a. First, read the words on page 56 and mark them up. Take your time sounding out each word.
 - b. Second, read the sentences on page 62. Read them in your head first, then read them out loud.
 - c. Third, if you feel ready, try reading the story on page 69 - *Tom, Ben and Skip*.
4. **Schedule a Zoom with Mrs. Wescott** on Thursday to check in and see how you're doing. I'll listen to you read the pages and help you apply the new skills.
