

A Bath for the Pup

Jill had a big pup. She did call him Ziff. The pup did run and run. Ziff did run up a hill and then to a log. To top it off, Ziff did run in the mud. At the end of his run, Ziff was a mess!

Jill led Ziff to the tub in a rush. Ziff had to get a bath. But, Ziff did not want to get wet at all. Ziff sat and did not hop in the tub as Jill did wish. What did Jill do?

Jill did not quit! She had to get Ziff to dip into the tub.

Then, Jill got a ball and she gave it a toss into the tub. Ziff was quick to hop to the ball. Ziff was in the tub and all wet after all.
