

## **A Jog with Chan**

The sun came up when Pam was on the back deck. Chan was on her way!

Chan was Pam's pal. The two did want to go on a jog for a bit.

At six a.m., Pam got a call. It was Chan! She was in a jam. Chan's van was out of gas. Chan had to fill the van with gas, but then she did want to go on that jog with Pam.

At last, Chan got to the deck. Pam led Chan to a path to go on the jog.
