### Contract

This year I will make a commitment to put 100% effort in my schoolwork. Each paper I turn in will have a proper heading, complete with the date written out completely. One-inch margins will be used and all paragraphs will be indented. My handwriting, spelling, punctuation and capitalization will be my best work. My papers will not be ripped out of my notebook, edges will not be torn, and presentation will reflect the care that is necessary to be successful in sixth grade and in life.
